

DataLocker Section 508 Compliance Statement

Version: November 2007

DataLocker makes efforts to integrate accessibility into our products.

Below are just a few examples of our compliance efforts, which are capable of satisfying the applicable requirements of Section 508 of the Rehabilitation Act.

Accessibility features for people with disabilities include :

- Can be operated using only the keyboard or keypad.
- Allow use customization of display contrast.
- Display content independently of color.
- Support screen magnifiers.
- Minimal use of audio information.

For more information please contact our compliance department via email at sales@datalocker.com.
